

Dear Discovery Families,

Discovery is now participating in a recycling program called Terracycle! We will be actively collecting materials for 3 brigades: cheese packaging, beauty products, and drink pouches. As we collect donations the school will receive points that we can use to help those in need!

The Cheese Packaging Brigade collects: string cheese packages, individual singles wrappers, singles packaged, shredded cheeses packages, grated cheese containers, creamed cheese packaging, cottage cheese tubs, and all cheese wrappers. Please do your best to rinse these out so that our collection bin does not begin to smell!!!

The Beauty Brigade collects: lipstick cases, mascara tubes, eye shadow cases, shampoo bottles, conditioner bottles, bronzer cases, foundation packaging, body wash containers, soap tubes, soap dispensers, lotion dispensers, shaving foam tubes, powder cases, lotion bottles, chapstick tubes, lotion tubes, face soap dispensers, face soap tubes, face lotion bottles, face lotion jars, eyeliner cases, eyeliner pencils, eye shadow tubes, concealer tubes, concealer sticks, lip liner pencils, hand lotion tubes, hair gel tubes, hair paste jars. PLEASE NOTE: Hair spray cans, nail polish bottles and nail polish remover bottle are NOT acceptable!

The Drink Pouch Brigade collects: Aluminum drink pouches and plastic drink pouches, NOT juice boxes.

Most of our households consume these products on a regular basis. If we take a few minutes to separate and send in these items, Discovery can really make a difference in the lives of others! Take a few minutes to check out the [Terracycle.net](http://Terracycle.net) website and see how our contributions will help! Putting your children in charge of this project can give them added responsibility around the house!

Thank you for your continued efforts to help make our world a better place to live!!

Miss Allison and the Student Ambassadors
